

SYKM PARTNER PROGRAM

OUR CUSTOMIZABLE ROBUST WIN-WIN PARTNER PROGRAMS AND OPTIONS ARE AVAILABLE FOR THOSE WORKING IN TREATMENT CENTERS, ORGANIZATIONS, RECOVERY RESIDENCES, PRIVATE INTERVENTION, EMPLOYEE ASSISTANCE PROGRAMS, THERAPY, COACHING PRACTICES, MENTAL HEALTH AND ADDICTION ORGANIZATIONS AND ALANON & NARANON FAMILY GROUPS.

What if there was a way we could provide added support, education, and resilience training for those who love someone with an addiction that would enhance the services we are already providing while supporting those that need it the most?

What if there was a potential to work together and support more individuals while promoting our services, enhancing our revenue streams and contributing to our program's success? Where we could focus on what we do best and amalgamate to support each other and, ultimately, the individuals that love someone with an addiction.

There IS a way! Let's work together and discuss the possibilities.
